### Since recommended to us

1. The Panorama programme. It has a lot on the effect on children and how Sweden protects the in school (available from resources section of 5GinMerton.com)

2. There's also this documentary 'Wi-Fi Refugees' which was aired in part by RT on TV. This link starts the documentary at the most relevant part but the doc is worth watching as a whole as well <https://youtu.be/KWMNTulZqKo?t=1754>

3. SSITA.org.uk website

4. Cece Doucette is very clear on wireless in schools well-informed, clear, does not brow-beat <https://youtu.be/fxvkX4OeBpk> & [https://youtu.be/loFI\\_8-Yt0g](https://youtu.be/loFI_8-Yt0g)

5. Dr Martin Pall debunks studies showing 'no effect'....
